# FIBERLIGHTS

Things to note: All FIBERLIGHTS are customizable. The sizes and prices here are for the standard line and are wrapped in 2mm cotton string, in the color or combination of colors you choose. If you want your FIBERLIGHT wrapped in a thinner cotton, wool or silk yarn, the price varies depending on the number of colors used and the amount of color-blocking you desire. Additionally, if the sizes available don't suit your needs, custom sizing is available and the price and production may change depending how large or small you need your shade.

Standard production time is 8-12 weeks for delivery. Rush orders are possible for an additional fee. Please see the order form to customize your FIBERLIGHT.
